Why Do We Pray

by

Chris Blackston

Tommy and Annie went for a walk with
their Mother one bright, sunny day.

When they heard a young Girl in the park
ask her Mother, "Mommy why do we pray?"

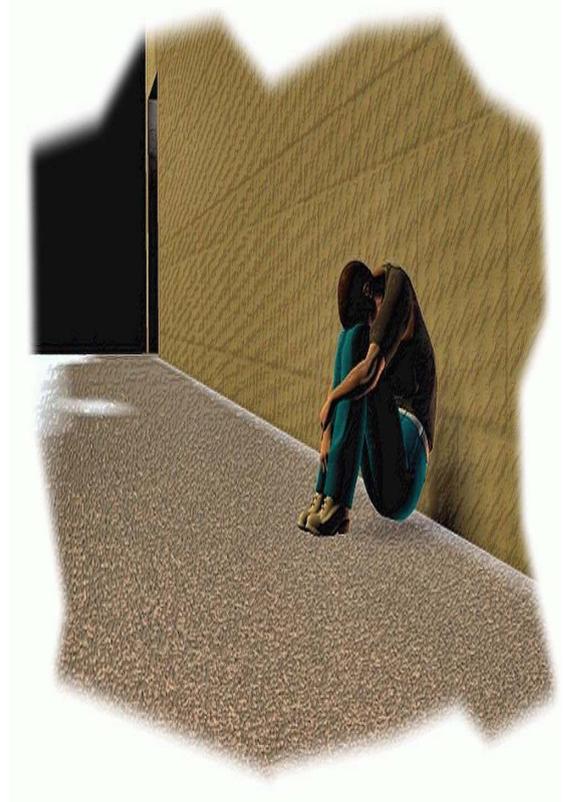

Her Mother replied,

"That's a wonderful question, now let
me see.

Well, we often pray for those who are in
need.

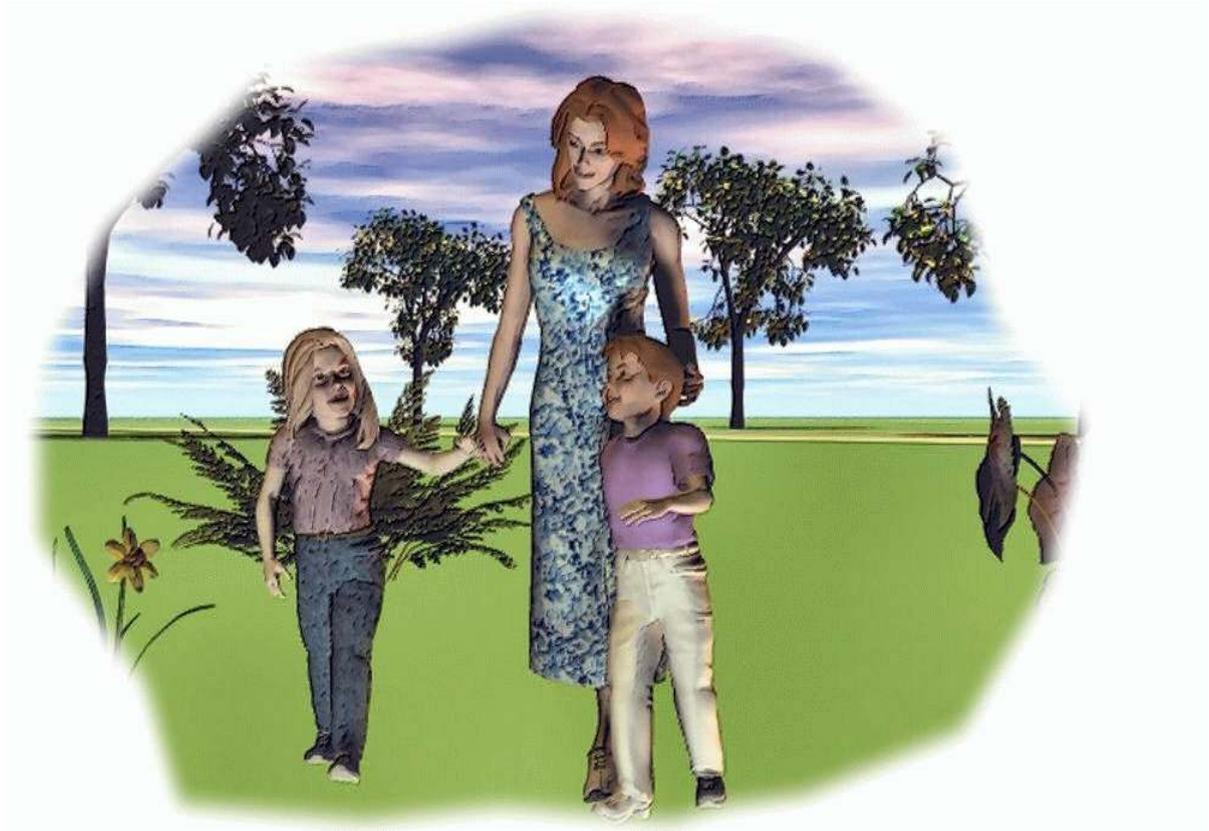

We pray for the sick, for their illness
to be healed
and we pray for the hungry, that their
tummies may be filled.

We pray for the lost to find their way home, and we pray for the lonely, no one likes to be alone.

We pray for so many good reasons, but if
you ask for my favorite one,
It is to be near God The Father, The Holy
Spirit, and Jesus our savior, Gods
precious Son."

Then Tommy, and Annie said to their
mother,

“We had such a great time walking with
you Mother on this beautiful day. We went
for a walk and learned, There are oh so
many good reasons for us to pray.”
